

**Charlie  
Silly  
Pants**

## THE HOUSE THAT CHARLIE SILLYPANTS BUILT

Charlie Silly Pants has moved into a new house but there's a problem, the house is very sad! The bins are all sick, the creatures have left the garden, the clouds above are grumpy and it's not a happy place to be around. The only way that Charlie can make it better is to listen to the environment around him. Throughout the show Charlie and the children will help re-build the house and garden with their "magic" green thumbs and lots of laughter of course!

**LEARNING  
THROUGH  
LAUGHTER**

## The house that Charlie Sillypants built

Focusing on the environment, community & sustainability

### Topics

- our environment
- recycling & waste management
- worms & composting
- watering and water tanks
- gardening
- solar energy
- sustainable living
- bees & pollination

### How children are participating

Shows use comedy, magic tricks and role play to create wonder, enthusiasm, and engagement around the important learning topics and outcomes.

### ELYF Learning Outcomes

#### OUTCOME 1: IDENTITY

Children have a strong sense of identity when they explore and engage with the topics of the environment by identifying and explaining their own personal experiences within their home and their feelings and ideas around improving the environment.

#### OUTCOME 2: COMMUNITY

Children are connected with and contribute to their world, when they understand the interdependence between, land, people, plants and animals and seeing the characters caring for the land and respecting the natural environment in order to benefit everyone.

#### OUTCOME 3: WELLBEING

Children have a strong sense of wellbeing when they have an increased awareness of healthy lifestyles and good nutrition.

#### OUTCOME 4: LEARNING

Children are confident and involved learners when they express and describe their thoughts to others about the environment and how it makes them feel by using their imagination through play and creativity.

#### OUTCOME 5: COMMUNICATION

Children are effective communicators when they Dance and move to music to express ideas and engage with the characters by acting out roles within the show.

## Inclusions

- All Pre-School shows are structured around VEYLDF (Victorian Early Years Learning and Development Framework) outcomes and have PDF's sheet's to easily link towards

Thank you for the extremely funny, thoroughly engaging and thoughtful shows you performed at our centre in the past weeks. Not only did it have the children laughing but more importantly they are still talking about it. All of your performances reflected the Early Years Learning Framework and were very educational. Every child participated in all facets of singing, dancing and acting and your ability to listen and respect their questions was impressive. I would highly recommend these shows to anyone in early learning.
